honest goodness

In this newly reinvented Adelaide Convention Centre menu, nature is the hero. Developed in collaboration with the South Australian Health and Medical Research Institute (SAHMRI), the University of Adelaide and CSIRO, Health and Biosecurity, it is packed with authentic, wholesome foods sourced from local sustainable environments.

It focuses on Honest Goodness – feel good, whole food, made fresh – achieved using minimal intervention foods and artisan produce, along with an unwavering commitment to 'house-made'. The result is memorable, restaurant-quality dishes that are not only nutritionally-balanced but full of flavour.

Special thanks to Professor Gary Wittert of the South Australian Health and Medical Research Institute (SAHMRI), the Freemasons Centre for Men's Health, School of Medicine, University of Adelaide; and Pennie Taylor, CSIRO, Health and Biosecurity and the University of Adelaide, for their assistance in developing this menu.
