

2008 GO FOR GREEN! DAY DELEGATE PACKAGE

Duration: 7am – 6pm

The Adelaide Convention Centre (ACC) seeks to be the most environmentally responsible convention centre in Australia. In fulfilling this objective we strive to maintain a safe, healthy and environmentally friendly facility for all people using, and working in, the ACC. We have developed our GO FOR GREEN! packages so you can partner with us in this initiative and help reduce the carbon footprint of your event.

OUR COMMITMENT TO REDUCING OUR CARBON FOOTPRINT

- Continual reduction of energy consumption through investigation and implementation of saving measures
- Increased water saving through introduction of water saving devices and operational practices across the Centre
- Waste minimisation and recycling measures including the composting of food waste and recycling of everything from paper, glass, plastic, egg cartons, corks and even candle wax
- Consideration of environmental aspects related to product purchasing
- Partnership with Trees for Life involving our staff propagating and planting native trees for a bushland regeneration project

ENVIRONMENTALLY FRIENDLY INCLUSIONS

- \$5.00 per person will be donated to a carbon emissions offset program
- Rooms powered with certified renewable electricity
- Environmentally friendly conference bag with ACC branding
- Recycled paper notepads and drink coasters
- Paper barrel pens
- Whiteboard and environmentally friendly markers
- Portable water fountains with cups manufactured from 100% annually renewable resources (100% biodegradable and 100% compostable)
- All catering produce sourced from local markets and suppliers - produce sourced from local markets, harvested from good soils, grown in fresh air and caught in clean seas
