South Australia is world famous for the quality of its wines – and at the Adelaide Convention Centre we pride ourselves in making available the State's finest wines from various regions & labels at the best possible price.

Our new wine list has been chosen with careful consideration to quality, value and variety from the various wine regions across the State.

A range of packages designed to provide quality wines at affordable price points are also made available for your serious consideration. While every effort will be made to source the vintage of your choice, please bear in mind that vintage availability can vary from time to time.

What we can guarantee is that we will negotiate the best possible price on your behalf, taking advantage of the considerable buying power of the Adelaide Convention Centre and ensuring this advantage is passed on to you.

This will assist you in choosing a selection from our wine list to provide the perfect wines to complement your food. To make the job easier, we've also provided tasting notes on each wine to help ensure a perfect match.

Should your preferred wines not be listed here, please consult with us, and we will be happy to assist you in the selection process and in sourcing the wine of your choice.

REGIONS:

BAROSSA VALLEY – EDEN VALLEY, CLARE VALLEY

Eden Valley– Home to some of the oldest Shiraz vineyards in Australia, world acclaimed Rieslings and iconic wine brands. The region's climate and soil produce incredibly complex wines which are rich and full bodied with soft tannins.

Clare Valley – wines from this region have a warm rustic flavour. When you think of Clare Valley, you think of Riesling. The region does however produce some excellent reds.

ADELAIDE HILLS

Australia's premier cool climate wine region, arguably the country's purest and most desirable Sauvignon Blanc lives in the Hills.

FLEURIEU PENINSULA – MCLAREN VALE, LANGHORNE CREEK

This is the place for bold inky – black Shiraz, rich but elegant Cabernet Sauvignon and Grenache that hold its own against any in the country.

LIMESTONE COAST – COONAWARRA, PADTHAWAY

With a unique combination of terra rossa soils and seaside climate, a passion to achieve viticulture and wine making excellence, this region is Australia's pre-eminent producer of super premium wines.

No beverages are allowed to be brought into the Centre without prior arrangements and payment of relevant service or corkage charges.
