

BREAKFAST AND BRUNCH

Start the day on a high note

"Breakfast like a king" say the nutritionists, mindful of the need to build energy for a busy day. Whether it's a light stand-up breakfast or something more substantial sitting down, we have breakfast and brunch choices that will get the working day off to an enthusiastic start.

The minimum charge for our breakfast menus \$20.00 per person.

When breakfast is served as a stand-alone function for fewer than 50 people, and not as part of a convention, an additional charge of 50% of normal room hire will be applied.
